Site Visit Note

Applicant: Harbor Light Community Kitchen
Visit date: October 14, 2026
Visited by: R. Mendes, Program Officer

The kitchen was clean and well organized. Staff showed the current refrigerator, which was full. The cold-storage purchase described in the follow-up email appears necessary.

We reviewed the delivery route on a map. It covers the Millbrook district.

Recommendation: proceed to full review.

Volunteer drivers confirmed for Mondays. - RM
